

CERTIFICATE

CE declaration of conformity in accordance with the EU

This is to certify that the following product

Equipment / designation: **EDDYCHEK 5 compact**
Type / Order no(s).: **EC5 5500**
Configuration: **Measurement system for nondestructive testing
using eddy current principles**

complies with the essential safety requirements set out in the Council Directive on the Approximation of the Laws of the Member States relating to electromagnetic compatibility (2004/108/EC) and electrical equipment designed for use within certain voltage limits (2006/95/EC).

For the evaluation of this certification with respect to the fulfillment of the safety requirements the following standards were applied:

- EN 60204
- EN 61000-6-2
- EN 61000-6-4
